## Dear Friends of the Donkeys,

Here at the Turtle Valley Donkey Refuge we made a decision many years ago to focus on the positive outcomes and share those with our supporters. We still deal with the challenges but we don't dwell on them.

We are able to maintain that positive attitude thanks to Wonderful Friends like you that have supported the donkeys through thick and thin.

### Thank you so very much.

Every year at this time our thoughts turn to the fundraising activities that will help to provide the \$400,000 for hay, special feed and supplements, farrier, veterinarian and dental services, bedding and comfort, and staffing costs.

We typically welcome Seasonal Visitors and hold smaller Fundraising Events like our Mother's Day Lily Sale, our Donkey Day, our Members Day, and our Pancake Breakfast to help cover donkey care costs. **This year is different.** We are unsure what the Visitor Season will look like so we know we need to hope for the best but plan for the worst. **We need to replace the Summer Revenue to be sure that we can cover the costs of caring for the donkeys.**

## Please help us meet or beat our target of \$120,000 by participating in our Donkey Care and Comfort Fundraiser

Mocha

**Our Goal Is \$120,000 which is enough to replace the revenue that our Visitors and Fundraising Events typically generate.**

### Here is the best part!

**The Sakura's Hope Foundation will match the first \$30,000 of donations.**

**Your first \$30,000 of donations plus the matching pledge will get us half-way to our goal. We are hopeful that additional donations will take us all the way.**

**Donations gratefully accepted online at [www.turtlevalleydonkeyrefuge.com/donate](http://www.turtlevalleydonkeyrefuge.com/donate)  
To donate by phone or e-transfer, please call Shirley at 250.679.2778**

## Please Help The Donkeys By Donating To Their Care
