Meet Dolly, a miniature donkey who has been with us for over 3 years. **It is December 2020.**

Dolly's Story

Usually healthy and active, Dolly is showing signs of an infection in her nasal passages. After two rounds of antibiotics Dolly is still not well. A trip to the Kamloops Large Animal Veterinarian Clinic for further testing and X-rays reveal that Dolly has a serious infection in her upper back molar. A few weeks later Dolly is transported to the Kamloops Vet Clinic, this time for surgery. Dr. Mulligan has decided that the safest procedure is to operate on Dolly under light sedation so she can stand during the operation. Here the veterinarians work for 3 days to remove the infected tooth. Finally on the morning of the 4th day the molar and root are fully removed and the cavity is packed first with padding and a then few days later with dissolvable porcelain. After 3 weeks in the new Refuge Infirmary with her daughter Katie to keep her calm, Dolly happily returns to her herd.

As we share Dolly's Story, she is once again experiencing a serious infection so she is off again to Kamloops for diagnostic procedures. It is possible that she will require further intervention and once again, we will do whatever is necessary to return her to a healthy, pain free life.

DOLLY AND HER FRIENDS ARE ABLE TO RECEIVE THIS CRITICAL CARE THANKS TO YOUR GENEROSITY AND KINDNESS!

Please help us meet or beat our target of \$80,000 by participating in our
Fall Donkey Care and Comfort Fundraiser

**Our Fundraising Goal is to raise \$80,000
towards the annual cost of \$400,000
for donkey care and comfort.**

Double the Impact of Your Donation!

**We are pleased to announce that
SAKURA'S HOPE FOUNDATION will once again
match the first \$30,000 of donations.**

**Your first \$30,000 of donations plus the matching
pledge will get us 75% of the way towards our goal
of \$80,000 to help keep our wonderful
donkeys healthy and safe.**

**Donations gratefully accepted online at
www.turtlevalleydonkeyrefuge.com/donate
To donate by phone or e-transfer,
please call Shirley at 250.679.2778**

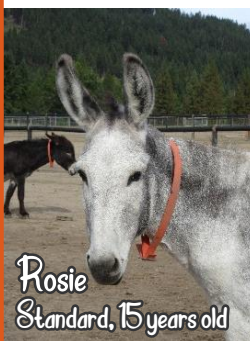

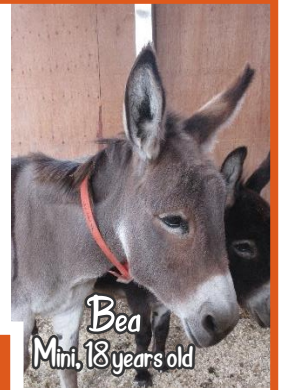

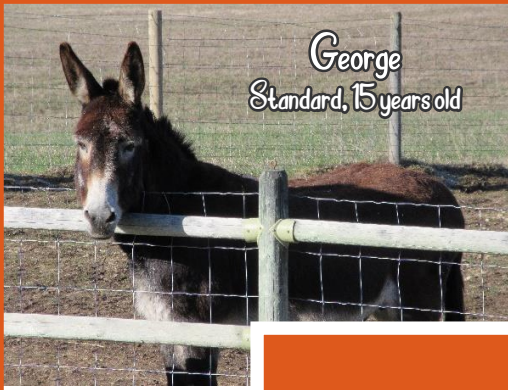

Special Thanks to Our Corporate Partner,

TROUW NUTRITION CANADA for their annual donation of 300 bags of special feed for our Donkeys. For over 20 years we have relied on Trouw Nutrition's specially formulated Step 6 and Step 8 Feed to boost the nutrition for our Senior and Health Compromised Donkeys.

Graciously Helping Us Help The Donkeys!

Sponsor A Donkey

Make A Friend For Life!

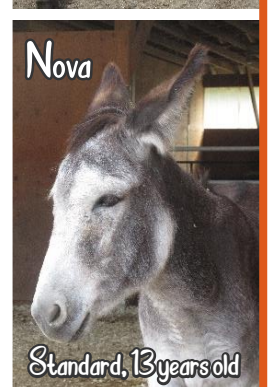

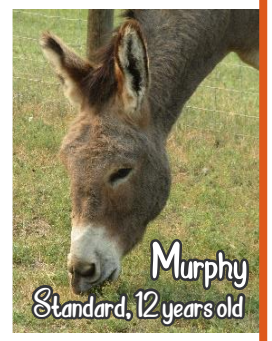

Our 14 Ambassador Donkeys have been chosen to represent the 102 mammoth, standard, and miniature donkeys that have found their forever home here at the Refuge.

When you participate in our Sponsorship Program you are ensuring that the donkey you choose, and his or her herd mates, will receive excellent care with love and compassion and that they will know the kindness of a human hand and heart.

For a tax-deductible donation of just \$50 you can sponsor one of our Ambassador donkeys, or another donkey who has touched your heart. In appreciation for your compassion you will receive a Sponsorship package featuring your Ambassador donkey or a group package for all the other wonderful donkeys.

As well, we ask you to consider becoming a monthly donor for your special donkey through our BrayVe Hearts Monthly Giving Program. Even a donation of \$10 per month lets you continue to support your donkey's care and comfort throughout the year.

**Sponsorship Takes Only A Moment
The Joy It Brings You Lasts A Lifetime**

Special Thanks to Our Community Partners,

FOR FUNDING OUR VISITORS DECK!

Our Visitors and FOR SENIORS BY SENIORS PROGRAM Participants will now have an all-mobility, all-purpose gathering place to enjoy the Refuge, our new 2022 programs and each other.
